(a) Electors may petition for the recall of an executive branch officer as identified in Section 1 of Article V or a member of the General Assembly. If the recall petition is valid, on a separate ballot the question "Shall (officer) be recalled from the office of (office)" must be submitted to the electors, along with the names of any candidates certified for the successor election, at a special election called by the State Board of Elections or at a regularly scheduled election to occur not more than 100 days after the date of certification of the recall petition. The officer or member subject to recall may be a candidate in the successor election.

(b) An executive branch officer or member of the General Assembly is immediately removed upon certification of the recall election results if a majority of the electors voting on the question vote to recall the officer or member. If an officer or member is recalled, the candidate who receives the highest number of votes in the successor election is elected successor for the balance of the term. Once a recall election petition is certified, the petition may not be withdrawn and another recall petition may not be initiated against that officer or member during the remainder of his or her current term of office.

(c) Any elector of the State, or the applicable Legislative or Representative District, may file an affidavit with the State Board of Elections providing notice of intent to circulate a petition to recall an officer or member no sooner than 6 months after the beginning of the officer's or member's current term of office. The affidavit must identify the name of the officer or member and the office to be recalled, the name and address of the proponents of the recall petition, and the date of filing with the State Board of Elections. A recall petition shall not be circulated prior to filing the affidavit, and a recall petition must be filed with the State Board of Elections no later than 160 days after filing the affidavit.

(d) A petition to recall an executive branch officer must include signatures of electors of the State equal to at least 12% of the total votes cast for the office in the election at which the officer was elected, with signatures equal to at least 1% of the vote for the office from at least 5 separate counties. A petition to recall a member of the General Assembly must be signed by electors of the respective Legislative District or Representative District equal to at least 20% of the total votes cast for the office in the election at which the member was elected. The form, circulation, and manner of filing a recall petition shall comply with the requirements provided by law for a statewide advisory public question, except the deadlines set forth in this Section.

(e) A recall petition is valid unless an objection is made within 45 days after the date the petition is filed, and an objection to the recall petition may be made in the same manner as to a candidate for the office subject to recall. The State Board of Elections shall certify the recall petition not more than 105 days after the date the recall petition is filed. Any recall petition or election pending on the date of the next general election at which a candidate for the office subject to recall is elected is moot.

(f) If a recall election is initiated, the name of no successor candidate may appear on the ballot unless a nominating petition has been filed with the State Board of Elections no more than 40 days after filing of the recall petition. The nominating petition of an established party candidate must contain the same number of signatures and be circulated in the same manner as an established party candidate for nomination to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. The nominating petition of an independent or new party candidate must contain the same number of signatures and be circulated in the same manner as an independent or new party candidate, respectively, for election to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. A nominating petition may be objected to in the same manner as a candidate for the office subject to recall, unless otherwise provided by law. The State Board of Elections shall certify a valid nominating petition not more than 105 days after the date the recall petition is filed.

(g) An election to determine whether to recall an executive officer or member of the General Assembly and to elect a successor shall be proclaimed by the State Board of Elections and held not less than 60 days and no more than 100 days after the date of certification of the recall petition.

(h) The provisions of this Section are self-executing and judicially enforceable.

(105 ILCS 45/1-50 new)

Sec. 1-50. Education of Homeless Children and Youth State Grant Program.

(a) It is the purpose and intent of this Section to establish a State grant program that parallels and supplements, but operates independently of, the federal grant program allocating funds for assistance under Subtitle B of Title VII of the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) and to establish a State grant program to support school districts throughout this State in facilitating the enrollment, attendance, and success of homeless children and youth.

(b) Subject to appropriation, the State Board of Education shall award competitive grants under an Education of Homeless Children and Youth State Grant Program to applicant school districts in accordance with this Section. Services provided by school districts through the use of grant funds may not replace the regular academic program and must be designed to expand upon or improve services provided for homeless students as part of the school's regular academic program.

(c) A school district that desires to receive a grant under this Section shall submit an application to the State Board of Education at such time, in such manner, and containing or accompanied by such information as the State Board of Education may reasonably require.

(d) Grants must be awarded on the basis of the need of the school district for assistance under this Section and the quality of the applications submitted.

(1) In determining need under this subsection (d), the State Board of Education may consider the number of homeless children and youths enrolled in preschool, elementary school, and secondary school within the school district and shall consider the needs of such children and youths and the ability of the district to meet such needs. The State Board of Education may also consider the following:

(A) The extent to which the proposed use of funds will facilitate the enrollment, retention, and educational success of homeless children and youths.

(B) The extent to which the application (i) reflects coordination with other local and State agencies that serve homeless children and youths and (ii) describes how the applicant will meet the requirements of

this Act and the federal McKinney-Vento Homeless Education Assistance Improvements Act of 2001.

(C) The extent to which the applicant exhibits in the application and in current practice a commitment to education for all homeless children and youths.

(D) Such other criteria as the State Board determines is appropriate.

(2) In determining the quality of applications under this subsection (d), the State Board of Education shall consider the following:

(A) The applicant's assessment of needs and the likelihood that the services presented in the application will meet such needs.

(B) The types, intensity, and coordination of the services to be provided.

(C) The involvement of parents or guardians of homeless children or youths in the education of these children.

(D) The extent to which homeless children and youths are effectively integrated within the regular education program.

(E) The quality of the applicant's evaluation plan for the services.

(F) The extent to which services provided will be coordinated with other services available to homeless children and youths and their families.

(G) Such other measures as the State Board considers indicative of high-quality services, such as the extent to which the school district will provide case management or related services to unaccompanied youths.

(e) Grants awarded under this Section shall be for terms not to exceed 3 years, but are subject to annual appropriation for the Education of Homeless Children and Youth State Grant Program. School districts shall use funds awarded under this Section only for those activities set forth in Section 723(d) of Subtitle B of Title VII of the McKinney-Vento Homeless Assistance Act of 1987 (42 U.S.C. 11433(d)).

(f) Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and the Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor."

The confirmation order may also:

(1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;

- (2) provide for a personal judgment against any party for a deficiency; and
- (3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE WITH SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE FORECLOSURE LAW.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale, provided that such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701 and in the order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article 9 of this Code or subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article 9 of this Code or subsection (h) of Section 15-1701.

(d) Payment of their reasonable living expenses, as provided in this Section, shall not obligate the biological parents to place the child for adoption. (d-5) No person or entity shall offer, provide, or co-sign a loan or any other credit accommodation, directly or indirectly, with a biological parent or a relative or associate of a biological parent based on the contingency of a surrender or placement of a child for adoption.

(f) If the placement of a child for adoption is made in accordance with the Interstate Compact on the Placement of Children, and if the sending state permits the payment of any expenses of biological parents that are not permitted under this Act, then the payment of those expenses shall not be a violation of this Act. In that event, the prospective adoptive parents ~~petitioners~~ shall file an accounting of all payments of the expenses of the biological parent or parents with the court in which the petition for adoption is filed or is to be filed. The accounting shall include a copy of the statutory provisions of the sending state that permit payments in addition to those permitted by this Act and a copy of all orders entered in the sending state that relate to expenses of the biological parents paid by the prospective adoptive parents ~~petitioners~~ in the sending state.

(g) The prospective adoptive parents ~~petitioners~~ shall be permitted to pay the reasonable attorney's fees of ~~a~~ the biological ~~parent's~~ ~~parents'~~ attorney in connection with proceedings under this Act or in connection with proceedings for the adoption of the child if the amount of fees of the attorney is \$1,000 or less. If the court determines that the fees requested are not reasonable, the court shall determine and set the reasonable attorney's fees of the biological parents' attorney which may be paid by the petitioners. The prospective adoptive parents shall present a final accounting of all those fees to the court prior to the entry of a final judgment order for adoption.

(h) The court may appoint a guardian ad litem for an unborn child to represent the interests of the child in proceedings under this Section.

(750 ILCS 50/18.3a) (from Ch. 40, par. 1522.3a)

Sec. 18.3a. Confidential intermediary.

(a) General purposes. Notwithstanding any other provision of this Act, any adopted or surrendered person 21 years of age or over, any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or any birth parent of an adopted or surrendered person who is 21 years of age or over may petition the court in any county in the State of Illinois for appointment of a confidential intermediary as provided in this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives, obtaining identifying information about one or more mutually consenting biological relatives, or arranging contact with one or more mutually consenting biological relatives. Additionally, in cases where an adopted or surrendered person is deceased, an adult child of the adopted or surrendered person or his or her adoptive parents or surviving spouse may file a petition under this Section and in cases where the birth parent is deceased, an adult birth sibling of the adopted or surrendered person or of the deceased birth parent may file a petition under this Section for the purpose of exchanging medical information with one or more mutually consenting biological relatives of the adopted or surrendered person, obtaining identifying information about one or more mutually consenting biological relatives of the adopted or surrendered person, or arranging contact with one or more mutually consenting biological relatives of the adopted or surrendered person. Beginning January 1, 2006, any adopted or surrendered person 21 years of age or over; any adoptive parent or legal guardian of an adopted or surrendered person under the age of 21; any birth parent, birth sibling, birth aunt, or birth uncle of an adopted or surrendered person over the age of 21; any surviving child, adoptive parent, or surviving spouse of a deceased adopted or surrendered person who wishes to petition the court for the appointment of a confidential intermediary shall be required to accompany their petition with proof of registration with the Illinois Adoption Registry and Medical Information Exchange.

(b) Petition. Upon petition by an adopted or surrendered person 21 years of age or over, an adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, or a birth parent of an adopted or surrendered person who is 21 years of age or over, the court shall appoint a confidential intermediary. Upon petition by an adult child, adoptive parent or surviving spouse of an adopted or surrendered person who is deceased, by an adult birth sibling of an adopted or surrendered person whose common birth parent is deceased and whose adopted or surrendered birth sibling is 21 years of age or over, or by an adult sibling of a birth parent who is deceased, and whose surrendered child is 21 years of age or over, the court may appoint a confidential intermediary if the court finds that the disclosure is of greater benefit than nondisclosure. The petition shall state which biological relative or relatives are being sought and shall indicate if the petitioner wants to do any one or more of the following: exchange medical information with the biological relative or relatives, obtain identifying information from the biological relative or relatives, or to arrange contact with the biological relative.

(c) Order. The order appointing the confidential intermediary shall allow that intermediary to conduct a search for the sought-after relative by accessing those records described in subsection (g) of this Section.

(d) Fees and expenses. The court shall condition the appointment of the confidential intermediary on the petitioner's payment of the intermediary's fees and expenses in advance of the commencement of the work of the confidential intermediary.

(e) Eligibility of intermediary. The court may appoint as confidential intermediary any person certified by the Department of Children and Family Services as qualified to serve as a confidential intermediary. Certification shall be dependent upon the confidential intermediary completing a course of training including, but not limited to, applicable federal and State privacy laws.

(f) Confidential Intermediary Council. There shall be established under the Department of Children and Family Services a Confidential Intermediary Advisory Council. One member shall be an attorney representing the Attorney General's Office appointed by the Attorney General. One member shall be a currently certified confidential intermediary appointed by the Director of the Department of Children and Family Services. The Director shall also appoint 5 additional members. When making those appointments, the Director shall consider advocates for adopted persons, adoptive parents, birth parents, lawyers who represent clients in private adoptions, lawyers specializing in privacy law, and representatives of agencies involved in adoptions. The Director shall appoint one of the 7 members as the chairperson. An attorney from the Department of Children and Family Services and the person directly responsible for administering the confidential intermediary program shall serve as ex-officio, non-voting advisors to the Council. Council

members shall serve at the discretion of the Director and shall receive no compensation other than reasonable expenses approved by the Director. The Council shall meet no less than twice yearly, and shall make recommendations to the Director regarding the development of rules, procedures, and forms that will ensure efficient and effective operation of the confidential intermediary process, including:

(1) Standards for certification for confidential intermediaries.

(2) Oversight of methods used to verify that intermediaries are complying with the appropriate laws.

(3) Training for confidential intermediaries, including training with respect to federal and State privacy laws.

(4) The relationship between confidential intermediaries and the court system, including the development of sample orders defining the scope of the intermediaries' access to information.

(5) Any recent violations of policy or procedures by confidential intermediaries and remedial steps, including decertification, to prevent future violations.

(g) Access. Subject to the limitations of subsection (i) of this Section, the confidential intermediary shall have access to vital records maintained by the Department of Public Health and its local designees for the maintenance of vital records or a comparable public entity that maintains vital records in another state in accordance with that state's laws and all records of the court or any adoption agency, public or private, as limited in this Section, which relate to the adoption or the identity and location of an adopted or surrendered person, of an adult child or surviving spouse of a deceased adopted or surrendered person, or of a birth parent, birth sibling, or the sibling of a deceased birth parent. The confidential intermediary shall not have access to any personal health information protected by the Standards for Privacy of Individually Identifiable Health Information adopted by the U.S. Department of Health and Human Services under the Health Insurance Portability and Accountability Act of 1996 unless the confidential intermediary has obtained written consent from the person whose information is being sought or, if that person is a minor child, that person's parent or guardian. Confidential intermediaries shall be authorized to inspect confidential relinquishment and adoption records. The confidential intermediary shall not be authorized to access medical records, financial records, credit records, banking records, home studies, attorney file records, or other personal records. In cases where a birth parent is being sought, an adoption agency shall inform the confidential intermediary of any statement filed pursuant to Section 18.3, hereinafter referred to as "the 18.3 statement", indicating a desire of the surrendering birth parent to have identifying information shared or to not have identifying information shared. If there was a clear statement of intent by the sought-after birth parent not to have identifying information shared, the confidential intermediary shall discontinue the search and inform the petitioning party of the sought-after relative's intent. Information provided to the confidential intermediary by an adoption agency shall be restricted to the full name, date of birth, place of birth, last known address, last known telephone number of the sought-after relative or, if applicable, of the children or siblings of the sought-after relative, and the 18.3 statement.

(h) Adoption agency disclosure of medical information. If the petitioner is an adult adopted or surrendered person or the adoptive parent of a minor and if the petitioner has signed a written authorization to disclose personal medical information, an adoption agency disclosing information to a confidential intermediary shall disclose available medical information about the adopted or surrendered person from birth through adoption.

(i) Duties of confidential intermediary in conducting a search. In conducting a search under this Section, the confidential intermediary shall first confirm that there is no Denial of Information Exchange on file with the Illinois Adoption Registry. If the petitioner is an adult child of an adopted or surrendered person who is deceased, the confidential intermediary shall additionally confirm that the adopted or surrendered person did not file a Denial of Information Exchange with the Illinois Adoption Registry during his or her life. If the petitioner is an adult birth sibling of an adopted or surrendered person or an adult sibling of a birth parent who is deceased, the confidential intermediary shall additionally confirm that the birth parent did not file a Denial of Information Exchange with the Registry during his or her life. If the confidential intermediary learns that a sought-after birth parent signed a statement indicating his or her intent not to have identifying information shared, and did not later file an Information Exchange Authorization with the Adoption Registry, the confidential intermediary shall discontinue the search and inform the petitioning party of the birth parent's intent.

In conducting a search under this Section, the confidential intermediary shall attempt to locate the relative or relatives from whom the petitioner has requested information. If the sought-after relative is deceased or cannot be located after a diligent search, the confidential intermediary may contact other adult

relatives of the sought-after relative.

The confidential intermediary shall contact a sought-after relative on behalf of the petitioner in a manner that respects the sought-after relative's privacy and shall inform the sought-after relative of the petitioner's request for medical information, identifying information or contact as stated in the petition. Based upon the terms of the petitioner's request, the confidential intermediary shall contact a sought-after relative on behalf of the petitioner and inform the sought-after relative of the following options:

(1) The sought-after relative may totally reject one or all of the requests for medical information, identifying information or contact. The sought-after relative shall be informed that they can provide a medical questionnaire to be forwarded to the petitioner without releasing any identifying information. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to reject the sharing of information or contact.

(2) The sought-after relative may consent to completing a medical questionnaire only.

In this case, the confidential intermediary shall provide the questionnaire and ask the sought-after relative to complete it. The confidential intermediary shall forward the completed questionnaire to the petitioner and inform the petitioner of the sought-after relative's desire to not provide any additional information.

(3) The sought-after relative may communicate with the petitioner without having his or her identity disclosed. In this case, the confidential intermediary shall arrange the desired communication in a manner that protects the identity of the sought-after relative. The confidential intermediary shall inform the petitioner of the sought-after relative's decision to communicate but not disclose his or her identity.

(4) The sought after relative may consent to initiate contact with the petitioner. If both the petitioner and the sought-after relative or relatives are eligible to register with the Illinois Adoption Registry, the confidential intermediary shall provide the necessary application forms and request that the sought-after relative register with the Illinois Adoption Registry. If either the petitioner or the sought-after relative or relatives are ineligible to register with the Illinois Adoption Registry, the confidential intermediary shall obtain written consents from both parties that they wish to disclose their identities to each other and to have contact with each other.

(j) Oath. The confidential intermediary shall sign an oath of confidentiality substantially as follows: "I,, being duly sworn, on oath depose and say: As a condition of appointment as a confidential intermediary, I affirm that:

(1) I will not disclose to the petitioner, directly or indirectly, any confidential information except in a manner consistent with the law.

(2) I recognize that violation of this oath subjects me to civil liability and to a potential finding of contempt of court.

SUBSCRIBED AND SWORN to before me, a Notary Public, on (insert date)

....."

(k) Sanctions.

(1) Any confidential intermediary who improperly discloses confidential information identifying a sought-after relative shall be liable to the sought-after relative for damages and may also be found in contempt of court.

(2) Any person who learns a sought-after relative's identity, directly or indirectly, through the use of procedures provided in this Section and who improperly discloses information identifying the sought-after relative shall be liable to the sought-after relative for actual damages plus minimum punitive damages of \$10,000.

(3) The Department shall fine any confidential intermediary who improperly discloses confidential information in violation of item (1) or (2) of this subsection (k) an amount up to \$2,000 per improper disclosure. This fine does not affect civil liability under item (2) of this subsection (k). The Department shall deposit all fines and penalties collected under this Section into the Illinois Adoption Registry and Medical Information Fund.

(l) Death of person being sought. Notwithstanding any other provision of this Act, if the confidential intermediary discovers that the person being sought has died, he or she shall report this fact to the court, along with a copy of the death certificate.

(m) Any confidential information obtained by the confidential intermediary during the course of his or her search shall be kept strictly confidential and shall be used for the purpose of arranging contact between the petitioner and the sought-after birth relative. At the time the case is closed, all identifying information shall be returned to the court for inclusion in the impounded adoption file.

(n) If the petitioner is an adopted or surrendered person 21 years of age or over or the adoptive parent or legal guardian of an adopted or surrendered person under the age of 21, any non-identifying information, as defined in Section 18.4, that is ascertained during the course of the search may be given in writing to the petitioner at any time during the search before the case is closed.

(o) Except as provided in subsection (k) of this Section, no liability shall accrue to the State, any State agency, any judge, any officer or employee of the court, any certified confidential intermediary, or any agency designated to oversee confidential intermediary services for acts, omissions, or efforts made in good faith within the scope of this Section.

(p) An adoption agency that has received a request from a confidential intermediary for the full name, date of birth, last known address, or last known telephone number of a sought-after relative pursuant to subsection (g) of Section 18.3, or for medical information regarding a sought-after relative pursuant to subsection (h) of Section 18.3, must satisfactorily comply with this court order within a period of 45 days. The court shall order the adoption agency to reimburse the petitioner in an amount equal to all payments made by the petitioner to the confidential intermediary, and the adoption agency shall be subject to a civil monetary penalty of \$1,000 to be paid to the Department of Children and Family Services. Following the issuance of a court order finding that the adoption agency has not complied with Section 18.3, the adoption agency shall be subject to a monetary penalty of \$500 per day for each subsequent day of non-compliance. Proceeds from such fines shall be utilized by the Department of Children and Family Services to subsidize the fees of petitioners as referenced in subsection (d) of this Section.

(q) Provide information to eligible petitioner. The confidential intermediary may provide to eligible petitioners as described in subsections (a) and (b) of this Section, the name of the child welfare agency which had legal custody of the surrendered person or responsibility for placing the surrendered person and any available contact information for such agency. In addition, the confidential intermediary may provide to such petitioners the name of the state in which the surrender occurred or in which the adoption was finalized.

Any reimbursements and fines, notwithstanding any reimbursement directly to the petitioner, paid under this subsection are in addition to other remedies a court may otherwise impose by law.

~~Proceeds from the penalties paid to the Department of Children and Family Services shall be deposited into the DCFS Children's Services Fund.~~ The Department of Children and Family Services shall submit reports to the Confidential Intermediary Advisory Council by July 1 and January 1 of each year in order to report the penalties assessed and collected under this subsection, the amounts of related deposits into the DCFS Children's Services Fund, and any expenditures from such deposits.

However, for military service not immediately following employment, the salary rate on the last date as a participating teacher prior to such military service, or on the first date as a participating teacher after such military service, whichever is greater, shall be assumed to be equal to the member's salary rate at the time of entering military service. (d-10) For service credit established under paragraph (6) of subsection (b) of Section 16-127 for days granted by an employer in excess of the member's normal annual sick leave allotment, the employer is required to pay the normal cost of benefits based upon such service credit. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

The Department of Healthcare and Family Services shall provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows: a baseline mammogram for women 35 to 39 years of age and an annual mammogram for women 40 years of age or older. All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. As used in this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, image receptor, and cassettes, with an average radiation exposure delivery of less than one rad mid-breast, with 2 views for each breast.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

- (2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.
- (3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor that provides non-emergency medical transportation, defined by the Department by rule, shall be conditional for 180 days. During that time, the Department of Healthcare and Family Services may terminate the vendor's eligibility to participate in the medical assistance program without cause. That termination of eligibility is not subject to the Department's hearing process.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients without medical authorization; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Such rules shall enable a recipient to temporarily acquire and use alternative or substitute

devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;
- (b) actual statistics and trends in the provision of the various medical services by medical vendors;
- (c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
- (d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Notwithstanding any other rulemaking authority that may exist, neither the Governor nor any agency or agency head under the jurisdiction of the Governor has any authority to make or promulgate rules to implement or enforce the provisions of this amendatory Act of the 95th General Assembly. If, however, the Governor believes that rules are necessary to implement or enforce the provisions of this amendatory Act of the 95th General Assembly, the Governor may suggest rules to the General Assembly by filing them with the Clerk of the House and Secretary of the Senate and by requesting that the General Assembly authorize such rulemaking by law, enact those suggested rules into law, or take any other appropriate action in the General Assembly's discretion. Nothing contained in this amendatory Act of the 95th General Assembly shall be interpreted to grant rulemaking authority under any other Illinois statute where such authority is not otherwise explicitly given. For the purposes of this amendatory Act of the 95th General Assembly, "rules" is given the meaning contained in Section 1-70 of the Illinois Administrative Procedure Act, and "agency" and "agency head" are given the meanings contained in Sections 1-20 and 1-25 of the Illinois Administrative Procedure Act to the extent that such definitions apply to agencies or agency heads under the jurisdiction of the Governor.

In addition, the official issuing building permits shall affix the roofing contractor license number to each application for a building permit and on each building permit issued and recorded.

SENATE BILLS ON SECOND READING

SENATE BILL 782. Having been reproduced, was taken up and read by title a second time.

The following amendment was offered in the Committee on Veterans Affairs, adopted and reproduced:

AMENDMENT NO. 1. Amend Senate Bill 782 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Veterans' Health Insurance Program Act of 2008.

Section 3. Legislative intent. The General Assembly finds that those who have served their country honorably in military service and who are residing in this State deserve access to affordable, comprehensive health insurance. Many veterans are uninsured and unable to afford healthcare. This lack of healthcare, including preventative care, often exacerbates health conditions. The effects of lack of insurance negatively impact those residents of the State who are insured because the cost of paying for care to the uninsured is often shifted to those who have insurance in the form of higher health insurance premiums. It is, therefore, the intent of this legislation to provide access to affordable health insurance for veterans residing in Illinois who are unable to afford such coverage. However, the State has only a limited

amount of resources, and the General Assembly therefore declares that while it intends to cover as many such veterans as possible, the State may not be able to cover every eligible person who qualifies for this Program as a matter of entitlement due to limited funding.

Section 5. Definitions. The following words have the following meanings:

"Department" means the Department of Healthcare and Family Services, or any successor agency.

"Director" means the Director of Healthcare and Family Services, or any successor agency.

"Medical assistance" means health care benefits provided under Article V of the Illinois Public Aid Code.

"Program" means the Veterans' Health Insurance Program.

"Resident" means an individual who has an Illinois residence, as provided in Section 5-3 of the Illinois Public Aid Code.

"Veteran" means any person who has served in a branch of the United States military for greater than 180 consecutive days after initial training.

"Veterans' Affairs" or "VA" means the United States Department of Veterans' Affairs.

Section 10. Operation of the Program.

(a) The Veterans' Health Insurance Program is created. This Program is not an entitlement. Enrollment is based on the availability of funds, and enrollment may be capped based on funds appropriated for the Program. As soon as practical after the effective date of this Act, coverage for this Program shall begin. The Program shall be administered by the Department of Healthcare and Family Services in collaboration with the Department of Veterans' Affairs. The Department shall have the same powers and authority to administer the Program as are provided to the Department in connection with the Department's administration of the Illinois Public Aid Code. The Department shall coordinate the Program with other health programs operated by the Department and other State and federal agencies.

(b) The Department shall operate the Program in a manner so that the estimated cost of the Program during the fiscal year will not exceed the total appropriation for the Program. The Department may take any appropriate action to limit spending or enrollment into the Program, including, but not limited to, ceasing to accept or process applications, reviewing eligibility more frequently than annually, adjusting cost-sharing, or reducing the income threshold for eligibility as necessary to control expenditures for the Program.

Section 15. Eligibility.

(a) To be eligible for the Program, a person must:

(1) be a veteran who is not on active duty and who has not been dishonorably discharged from service;

(2) be a resident of the State of Illinois;

(3) be at least 19 years of age and no older than 64 years of age;

(4) be uninsured, as defined by the Department by rule, for a period of time established by the Department by rule, which shall be no less than 6 months;

(5) not be eligible for medical assistance under the Illinois Public Aid Code;

(6) not be eligible for medical benefits through the Veterans Health Administration; and

(7) have a household income no greater than the sum of (i) an amount equal to 25% of the federal poverty level plus (ii) an amount equal to the Veterans Administration means test income threshold at the initiation of the Program; depending on the availability of funds, this level may be increased to an amount equal to the sum of (iii) an amount equal to 50% of the federal poverty level plus (iv) an amount equal to the Veterans Administration means test income threshold. This means test income threshold is subject to alteration by the Department as set forth in subsection (b) of Section 10.

(b) A veteran who is determined eligible for the Program shall remain eligible for 12 months, provided the veteran remains a resident of the State and is not excluded under subsection (c) of this Section and provided the Department has not limited the enrollment period as set forth in subsection (b) of Section 10.

(c) A veteran is not eligible for coverage under the Program if:

(1) the premium required under Section 35 of this Act has not been timely paid; if the required premiums are not paid, the liability of the Program shall be limited to benefits incurred under the Program for the time period for which premiums have been paid and for grace periods as established under subsection (d); if the required monthly premium is not paid, the veteran is ineligible for re-enrollment for a minimum period of 3 months; or

(2) the veteran is a resident of a nursing facility or an inmate of a public institution, as defined by 42 CFR 435.1009.

(d) The Department shall adopt rules for the Program, including, but not limited to, rules

relating to eligibility, re-enrollment, grace periods, notice requirements, hearing procedures, cost-sharing, covered services, and provider requirements.

Section 20. Notice of decisions to terminate eligibility. Whenever the Department decides to either deny or terminate eligibility under this Act, the veteran shall have a right to notice and a hearing, as provided by the Department by rule.

Section 25. Illinois Department of Veterans' Affairs. The Department shall coordinate with the Illinois Department of Veterans' Affairs and the Veterans Assistance Commissions to allow State Veterans' Affairs service officers and the Veterans Assistance Commissions to assist veterans to apply for the Program. All applicants must be reviewed for Veterans Health Administration eligibility or other existing health benefits prior to consideration for the Program.

Section 30. Health care benefits.

(a) For veterans eligible and enrolled, the Department shall purchase or provide health care benefits for eligible veterans that are identical to the benefits provided to adults under the State's approved plan under Title XIX of the Social Security Act, except for nursing facility services and non-emergency transportation.

(b) Providers shall be subject to approval by the Department to provide health care under the Illinois Public Aid Code and shall be reimbursed at the same rates as providers reimbursed under the State's approved plan under Title XIX of the Social Security Act.

(c) As an alternative to the benefits set forth in subsection (a) of this Section, and when cost-effective, the Department may offer veterans subsidies toward the cost of privately sponsored health insurance, including employer-sponsored health insurance.

Section 35. Cost-sharing. The Department, by rule, shall set forth requirements concerning co-payments and monthly premiums for health care services. This cost-sharing shall be based on household income, as defined by the Department by rule, and is subject to alteration by the Department as set forth in subsection (b) of Section 10.

Section 40. Charge upon claims and causes of action; right of subrogation; recoveries. Sections 11-22, 11-22a, 11-22b, and 11-22c of the Illinois Public Aid Code apply to health benefits provided to veterans under this Act, as provided in those Sections.

Section 45. Reporting. The Department shall prepare an annual report for submission to the General Assembly. The report shall be due to the General Assembly by January 1 of each year beginning in 2009. This report shall include information regarding implementation of the Program, including the number of veterans enrolled and any available information regarding other benefits derived from the Program, including screening for and acquisition of other veterans' benefits through the Veterans' Service Officers and the Veterans' Assistance Commissions. This report may also include recommendations regarding improvements that may be made to the Program and regarding the extension of the repeal date set forth in Section 85 of this Act.

Section 50. Emergency rulemaking. The Department may adopt rules necessary to establish and implement this Act through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. For the purposes of that Act, the General Assembly finds that the adoption of rules to implement this Act is deemed an emergency and necessary for the public interest, safety, and welfare.

Section 85. Repeal. This Act is repealed on January 1, 2012.

Section 90. The Illinois Public Aid Code is amended by changing Sections 11-22, 11-22a, 11-22b, and 11-22c as follows:

(305 ILCS 5/11-22) (from Ch. 23, par. 11-22)

Sec. 11-22. Charge upon claims and causes of action for injuries. The Illinois Department shall have a charge upon all claims, demands and causes of action for injuries to an applicant for or recipient of (i) financial aid under Articles III, IV, and V, (ii) health care benefits provided under the Covering ALL KIDS Health Insurance Act, or (iii) health care benefits provided under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008 for the total amount of medical assistance provided the recipient from the time of injury to the date of recovery upon such claim, demand or cause of action. In addition, if the applicant or recipient was employable, as defined by the Department, at the time of the injury, the Department shall also have a charge upon any such claims, demands and causes of action for the total amount of aid provided to the recipient and his dependents, including all cash assistance and medical assistance only to the extent includable in the claimant's action, from the time of injury to the date of recovery upon such claim, demand or cause of action. Any definition of "employable" adopted by the Department shall apply only to persons above the age of compulsory school attendance.

If the injured person was employable at the time of the injury and is provided aid under Articles III, IV,

or V and any dependent or member of his family is provided aid under Article VI, or vice versa, both the Illinois Department and the local governmental unit shall have a charge upon such claims, demands and causes of action for the aid provided to the injured person and any dependent member of his family, including all cash assistance, medical assistance and food stamps, from the time of the injury to the date of recovery.

"Recipient", as used herein, means (i) in the case of financial aid provided under this Code, the grantee of record and any persons whose needs are included in the financial aid provided to the grantee of record or otherwise met by grants under the appropriate Article of this Code for which such person is eligible, (ii) in the case of health care benefits provided under the Covering ALL KIDS Health Insurance Act, the child to whom those benefits are provided, and (iii) in the case of health care benefits provided under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the veteran to whom benefits are provided.

In each case, the notice shall be served by certified mail or registered mail, upon the party or parties against whom the applicant or recipient has a claim, demand or cause of action. The notice shall claim the charge and describe the interest the Illinois Department, the local governmental unit, or the county, has in the claim, demand, or cause of action. The charge shall attach to any verdict or judgment entered and to any money or property which may be recovered on account of such claim, demand, cause of action or suit from and after the time of the service of the notice.

On petition filed by the Illinois Department, or by the local governmental unit or county if either is claiming a charge, or by the recipient, or by the defendant, the court, on written notice to all interested parties, may adjudicate the rights of the parties and enforce the charge. The court may approve the settlement of any claim, demand or cause of action either before or after a verdict, and nothing in this Section shall be construed as requiring the actual trial or final adjudication of any claim, demand or cause of action upon which the Illinois Department, the local governmental unit or county has charge. The court may determine what portion of the recovery shall be paid to the injured person and what portion shall be paid to the Illinois Department, the local governmental unit or county having a charge against the recovery. In making this determination, the court shall conduct an evidentiary hearing and shall consider competent evidence pertaining to the following matters:

- (1) the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the gross amount of the recovery; the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the amount obtained by subtracting from the gross amount of the recovery the total attorney's fees and other costs incurred by the recipient incident to the recovery; and whether the Department, unit of local government or county seeking to enforce the charge against the recovery should as a matter of fairness and equity bear its proportionate share of the fees and costs incurred to generate the recovery from which the charge is sought to be satisfied;
- (2) the amount, if any, of the attorney's fees and other costs incurred by the recipient incident to the recovery and paid by the recipient up to the time of recovery, and the amount of such fees and costs remaining unpaid at the time of recovery;
- (3) the total hospital, doctor and other medical expenses incurred for care and treatment of the injury to the date of recovery therefor, the portion of such expenses theretofore paid by the recipient, by insurance provided by the recipient, and by the Department, unit of local government and county seeking to enforce a charge against the recovery, and the amount of such previously incurred expenses which remain unpaid at the time of recovery and by whom such incurred, unpaid expenses are to be paid;
- (4) whether the recovery represents less than substantially full recompense for the injury and the hospital, doctor and other medical expenses incurred to the date of recovery for the care and treatment of the injury, so that reduction of the charge sought to be enforced against the recovery would not likely result in a double recovery or unjust enrichment to the recipient;
- (5) the age of the recipient and of persons dependent for support upon the recipient, the nature and permanency of the recipient's injuries as they affect not only the future employability and education of the recipient but also the reasonably necessary and foreseeable future material, maintenance, medical, rehabilitative and training needs of the recipient, the cost of such reasonably necessary and foreseeable future needs, and the resources available to meet such needs and pay such costs;
- (6) the realistic ability of the recipient to repay in whole or in part the charge sought to be enforced against the recovery when judged in light of the factors enumerated above.

The burden of producing evidence sufficient to support the exercise by the court of its discretion to

reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking such reduction.

The court may reduce and apportion the Illinois Department's lien proportionate to the recovery of the claimant. The court may consider the nature and extent of the injury, economic and noneconomic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The Illinois Department shall pay its pro rata share of the attorney fees based on the Illinois Department's lien as it compares to the total settlement agreed upon. This Section shall not affect the priority of an attorney's lien under the Attorneys Lien Act. The charges of the Illinois Department described in this Section, however, shall take priority over all other liens and charges existing under the laws of the State of Illinois with the exception of the attorney's lien under said statute.

Whenever the Department or any unit of local government has a statutory charge under this Section against a recovery for damages incurred by a recipient because of its advancement of any assistance, such charge shall not be satisfied out of any recovery until the attorney's claim for fees is satisfied, irrespective of whether or not an action based on recipient's claim has been filed in court.

This Section shall be inapplicable to any claim, demand or cause of action arising under (a) the Workers' Compensation Act or the predecessor Workers' Compensation Act of June 28, 1913, (b) the Workers' Occupational Diseases Act or the predecessor Workers' Occupational Diseases Act of March 16, 1936; and (c) the Wrongful Death Act.

(305 ILCS 5/11-22a) (from Ch. 23, par. 11-22a)

Sec. 11-22a. Right of Subrogation. To the extent of the amount of (i) medical assistance provided by the Department to or on behalf of a recipient under Article V or VI, (ii) health care benefits provided for a child under the Covering ALL KIDS Health Insurance Act, or (iii) health care benefits provided to a veteran under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the Department shall be subrogated to any right of recovery such recipient may have under the terms of any private or public health care coverage or casualty coverage, including coverage under the "Workers' Compensation Act", approved July 9, 1951, as amended, or the "Workers' Occupational Diseases Act", approved July 9, 1951, as amended, without the necessity of assignment of claim or other authorization to secure the right of recovery to the Department. To enforce its subrogation right, the Department may (i) intervene or join in an action or proceeding brought by the recipient, his or her guardian, personal representative, estate, dependents, or survivors against any person or public or private entity that may be liable; (ii) institute and prosecute legal proceedings against any person or public or private entity that may be liable for the cost of such services; or (iii) institute and prosecute legal proceedings, to the extent necessary to reimburse the Illinois Department for its costs, against any noncustodial parent who (A) is required by court or administrative order to provide insurance or other coverage of the cost of health care services for a child eligible for medical assistance under this Code and (B) has received payment from a third party for the costs of those services but has not used the payments to reimburse either the other parent or the guardian of the child or the provider of the services.

(1) "Carrier" means any insurer, including any private company, corporation, mutual association, trust fund, reciprocal or interinsurance exchange authorized under the laws of this State to insure persons against liability or injuries caused to another and any insurer providing benefits under a policy of bodily injury liability insurance covering liability arising out of the ownership, maintenance or use of a motor vehicle which provides uninsured motorist endorsement or coverage.

(2) "Beneficiary" means any person or their dependents who has received benefits or will be provided benefits under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008 because of an injury for which another person may be liable. It includes such beneficiary's guardian, conservator or other personal representative, his estate or survivors.

(b)(1) When benefits are provided or will be provided to a beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008 because of an injury for which another person is liable, or for which a carrier is liable in accordance with the provisions of any policy of insurance issued pursuant to the Illinois Insurance Code, the Illinois Department shall have a right to recover from such person or carrier

the reasonable value of benefits so provided. The Attorney General may, to enforce such right, institute and prosecute legal proceedings against the third person or carrier who may be liable for the injury in an appropriate court, either in the name of the Illinois Department or in the name of the injured person, his guardian, personal representative, estate, or survivors.

(2) The Department may:

(A) compromise or settle and release any such claim for benefits provided under this Code, or

(B) waive any such claims for benefits provided under this Code, in whole or in part, for the convenience of the Department or if the Department determines that collection would result in undue hardship upon the person who suffered the injury or, in a wrongful death action, upon the heirs of the deceased.

(3) No action taken on behalf of the Department pursuant to this Section or any judgment rendered in such action shall be a bar to any action upon the claim or cause of action of the beneficiary, his guardian, conservator, personal representative, estate, dependents or survivors against the third person who may be liable for the injury, or shall operate to deny to the beneficiary the recovery for that portion of any damages not covered hereunder.

(c)(1) When an action is brought by the Department pursuant to subsection (b), it shall be commenced within the period prescribed by Article XIII of the Code of Civil Procedure.

However, the Department may not commence the action prior to 5 months before the end of the applicable period prescribed by Article XIII of the Code of Civil Procedure. Thirty days prior to commencing an action, the Department shall notify the beneficiary of the Department's intent to commence such an action.

(2) The death of the beneficiary does not abate any right of action established by subsection (b).

(3) When an action or claim is brought by persons entitled to bring such actions or assert such claims against a third person who may be liable for causing the death of a beneficiary, any settlement, judgment or award obtained is subject to the Department's claim for reimbursement of the benefits provided to the beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008.

(4) When the action or claim is brought by the beneficiary alone and the beneficiary incurs a personal liability to pay attorney's fees and costs of litigation, the Department's claim for reimbursement of the benefits provided to the beneficiary shall be the full amount of benefits paid on behalf of the beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008 less a pro rata share which represents the Department's reasonable share of attorney's fees paid by the beneficiary and that portion of the cost of litigation expenses determined by multiplying by the ratio of the full amount of the expenditures of the full amount of the judgment, award or settlement.

(d)(1) If either the beneficiary or the Department brings an action or claim against such third party or carrier, the beneficiary or the Department shall within 30 days of filing the action give to the other written notice by personal service or registered mail of the action or claim and of the name of the court in which the action or claim is brought. Proof of such notice shall be filed in such action or claim. If an action or claim is brought by either the Department or the beneficiary, the other may, at any time before trial on the facts, become a party to such action or claim or shall consolidate his action or claim with the other if brought independently.

(2) If an action or claim is brought by the Department pursuant to subsection (b)(1), written notice to the beneficiary, guardian, personal representative, estate or survivor given pursuant to this Section shall advise him of his right to intervene in the proceeding, his right to obtain a private attorney of his choice and the Department's right to recover the reasonable value of the benefits provided.

(e) In the event of judgment or award in a suit or claim against such third person or carrier:

(1) If the action or claim is prosecuted by the beneficiary alone, the court shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of such action or claim, together with reasonable attorney's fees, when an attorney has been retained. After payment of such expenses and attorney's fees the court shall, on the application of the Department, allow as a first lien against the amount of such judgment or award the amount of the Department's expenditures for the benefit of the beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans'

Health Insurance Program Act of 2008, as provided in subsection (c)(4).

(2) If the action or claim is prosecuted both by the beneficiary and the Department, the court shall first order paid from any judgment or award the reasonable litigation expenses incurred in preparation and prosecution of such action or claim, together with reasonable attorney's fees for plaintiffs attorneys based solely on the services rendered for the benefit of the beneficiary. After payment of such expenses and attorney's fees, the court shall apply out of the balance of such judgment or award an amount sufficient to reimburse the Department the full amount of benefits paid on behalf of the beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008.

(f) The court shall, upon further application at any time before the judgment or award is satisfied, allow as a further lien the amount of any expenditures of the Department in payment of additional benefits arising out of the same cause of action or claim provided on behalf of the beneficiary under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, when such benefits were provided or became payable subsequent to the original order.

(g) No judgment, award, or settlement in any action or claim by a beneficiary to recover damages for injuries, when the Department has an interest, shall be satisfied without first giving the Department notice and a reasonable opportunity to perfect and satisfy its lien.

(h) When the Department has perfected a lien upon a judgment or award in favor of a beneficiary against any third party for an injury for which the beneficiary has received benefits under this Code, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the Department shall be entitled to a writ of execution as lien claimant to enforce payment of said lien against such third party with interest and other accruing costs as in the case of other executions. In the event the amount of such judgment or award so recovered has been paid to the beneficiary, the Department shall be entitled to a writ of execution against such beneficiary to the extent of the Department's lien, with interest and other accruing costs as in the case of other executions.

(i) Except as otherwise provided in this Section, notwithstanding any other provision of law, the entire amount of any settlement of the injured beneficiary's action or claim, with or without suit, is subject to the Department's claim for reimbursement of the benefits provided and any lien filed pursuant thereto to the same extent and subject to the same limitations as in Section 11-22 of this Code.

Sec. 11-22c. Recovery of back wages.

(a) As used in this Section, "recipient" means any person receiving financial assistance under Article IV or Article VI of this Code, receiving health care benefits under the Covering ALL KIDS Health Insurance Act, or receiving health care benefits under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008.

(b) If a recipient maintains any suit, charge or other court or administrative action against an employer seeking back pay for a period during which the recipient received financial assistance under Article IV or Article VI of this Code, health care benefits under the Covering ALL KIDS Health Insurance Act, or health care benefits under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the recipient shall report such fact to the Department. To the extent of the amount of assistance provided to or on behalf of the recipient under Article IV or Article VI, health care benefits provided under the Covering ALL KIDS Health Insurance Act, or health care benefits provided under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the Department may by intervention or otherwise without the necessity of assignment of claim, attach a lien on the recovery of back wages equal to the amount of assistance provided by the Department to the recipient under Article IV or Article VI, under the Covering ALL KIDS Health Insurance Act, or under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008.

245TH LEGISLATIVE DAY

Perfunctory Session

WEDNESDAY, APRIL 2, 2008

At the hour of 5:51 o'clock p.m., the House convened perfunctory session.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1117

Offered by Representative Brauer:

WHEREAS, Children with developmental disabilities or mental illness receive a variety of services provided or sponsored by the Department of Children and Family Services (DCFS), the Department of Human Services (DHS), and the Illinois State Board of Education (ISBE); and

WHEREAS, Each of those agencies has adopted a different age by which children in their programs "age out" of those programs (that is, become ineligible for those programs based on their age); for DCFS it is age 18; for DHS it is age 21; and for ISBE it is age 22; and

WHEREAS, Upon "aging out" of these programs, individuals must undergo a transition to programs and services for adults; an individual between the ages of 18 and 22 may have to participate in children's programs and adult programs at the same time; and

WHEREAS, This lack of uniformity in the "age-out" age between agencies results in disparities in services provided to children and their families and confusion among beneficiaries of State programs and services; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Department of Children and Family Services, the Department of Human Services, and the Illinois State Board of Education, in coordination with providers of developmental disability and mental health services, shall establish a Cross-Agency Coordination Task Force on Developmental Disabilities to study the implementation of a uniform age by which children with developmental disabilities or mental illness "age out" of programs administered by those agencies; the study shall include an examination of ways to improve transition services to individuals affected by a developmental disability or mental illness; and be it further

RESOLVED, That the task force shall consist of 9 members; the Department of Children and Family Services, the Department of Human Services, and the State Board of Education shall each appoint one of each of the following as a member: (i) a parent of a child who receives mental health or developmental disability services; (ii) a provider of mental health or developmental disability services; and (iii) a staff member of the appointing agency; and be it further

RESOLVED, That the task force shall submit a report of its findings and recommendations to the House of Representatives by August 31, 2008; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor, the Director of Children and Family Services, the Secretary of Human Services, and the State Superintendent of Education.

HOUSE RESOLUTION 1122

Offered by Representative Mulligan:

WHEREAS, In 1992, a class of children in Cook County eligible for Medicaid coverage ("plaintiffs") sued the Illinois Department of Healthcare and Family Services ("HFS") for violations of the federal Medicaid Act; and

WHEREAS, Plaintiffs alleged that HFS failed to provide children in Cook County covered under

Medicaid with access to medical care and services equal to children who were not covered under Medicaid; and

WHEREAS, The case went to trial in 2004 with Judge Joan Lefkow finding in favor of the plaintiffs; and

WHEREAS, Parties to the suit held settlement negotiations and came to an agreement in 2005; a consent decree was entered on June 27, 2005 with Judge Lefkow; and

WHEREAS, Among the agreements in the consent decree, HFS agreed to conduct a study regarding access to specialist services by the children in the plaintiff class as well as children in similar situations; and

WHEREAS, The consent decree required HFS to retain a qualified expert who was subject to plaintiffs' "reasonable approval"; and

WHEREAS, The consent decree required the parties to discuss with the retained expert their views on the proper methodology for the study; and

WHEREAS, In 2007, plaintiffs filed a motion to enforce the consent decree with Judge Lefkow; plaintiffs argued that the expert retained by HFS was not qualified because it had never implemented a mail survey or an audit survey, which were the two methodologies proposed by the parties; plaintiffs also argued that the new expert had been retained without its approval; lastly, the plaintiffs argued that defendants had unduly delayed the completion of the study; and

WHEREAS, On November 29, 2007, Judge Lefkow found in favor of the plaintiffs and ordered the parties to agree on a new expert within 30 days; and

WHEREAS, As of March 2008, the parties have yet to agree on an expert and the study remains incomplete; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the members of the Illinois House of Representatives urge HFS and the plaintiffs to come to an agreement on an expert by April 30, 2008; and be it further

RESOLVED, That the expert and HFS finish the study and complete a full report of the results by July 31, 2008; and be it further

RESOLVED, That a copy of the report be delivered to every member of the House of Representatives.

HOUSE JOINT RESOLUTION 117

Offered by Representative Reitz:

WHEREAS, The State of Illinois, through its Department of Natural Resources, has provided a captive-reared pheasant hunting program since 1946; and

WHEREAS, The captive-reared pheasants are released on public lands for hunting; and

WHEREAS, The Department of Natural Resources' Controlled Pheasant Hunting Program (CPHP) is now provided at 18 public hunting areas geographically distributed throughout Illinois; and

WHEREAS, The Controlled Pheasant Hunting Program provides an important and irreplaceable hunting experience for many hunters; and

WHEREAS, Illinois is highly urbanized, and 95% of all the land in the State is privately owned with limited hunting access; and

WHEREAS, The State's wild pheasant population has declined over the past 30 years; and

WHEREAS, The combination of limited hunting access and the decline in wild pheasant populations results in many hunters relying on public hunting areas for their sport and recreation; and

WHEREAS, With the urbanization and development of so much of Illinois, public hunting areas are the sole source for urban hunters; and

WHEREAS, Public hunting areas are the most accessible for the State's active senior and handicapped hunters; and

WHEREAS, In 2006, 46,850, or 97.7% of the pheasants harvested on public lands were captive-reared pheasants from the 18 public hunting areas; and

WHEREAS, In 2006, only 1,100 wild pheasants were harvested from the remaining 19 public hunting areas where captive-reared pheasant are not released; and

WHEREAS, Illinois realized in excess of 29,000 pheasant hunter trips under the Controlled Pheasant Hunting Program; and

WHEREAS, Considerable revenues are realized from the State's vast population of pheasant hunters each and every season; and

WHEREAS, Pheasant hunters pay a \$15 daily access fee for using the Department of Natural Resources' controlled pheasant hunting areas; and

WHEREAS, Pheasant hunters must also purchase an Illinois hunting license and must also purchase the \$5.50 Habitat stamp; and

WHEREAS, Illinois hunters contribute to the State's \$5.8 million Pitman-Roberson apportionment through the federal excise tax paid on sporting arms and ammunition; and

WHEREAS, Illinois pheasant hunters contribute significantly to the local economies surrounding State-controlled hunting areas; and

WHEREAS, The Department of Natural Resources operates 3 Wildlife Propagation Centers; and

WHEREAS, These unique pheasant production facilities were constructed at a cost of nearly \$8 million; and

WHEREAS, In 2007, 65,000 mature pheasants raised at the Wildlife Propagation Centers were released on the State's controlled pheasant hunting lands; and

WHEREAS, Without the Department of Natural Resources' Controlled Pheasant Hunting Program, pheasant hunting in Illinois would virtually cease to exist; and

WHEREAS, Illinois pheasant hunters would be displaced and not have adequate access to hunting areas, especially in the State's expanding urban regions; and

WHEREAS, The revenues realized by both the State and the local economies within the State would suffer considerably without the continuation of the State's Controlled Pheasant Hunting Program; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we recognize the financial and professional investment committed by the State in creating its progressive and advanced propagation centers; and be it further

RESOLVED, We acknowledge and understand the significance of the State's Controlled Pheasant Hunting Program operated by the Department of Natural Resources; and be it further

RESOLVED, We encourage and expect the continuation and maintenance of the Controlled Pheasant Hunting Program to insure access and availability for pheasant hunters from throughout Illinois; and be it further

RESOLVED, That suitable copies of this resolution be presented to the Director of Natural Resources and the Governor.

HOUSE JOINT RESOLUTION 118

Offered by Representative Wait:

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the 2008 report of the Compensation Review Board is hereby disapproved in whole in accordance with Section 5 of the Compensation Review Act; and be it further

RESOLVED, That a copy of this resolution be directed to the Compensation Review Board.

HOUSE JOINT RESOLUTIONS CONSTITUTIONAL AMENDMENTS SECOND READING, AS AMENDED

Representative Franks introduced the following:

HOUSE JOINT RESOLUTION CONSTITUTIONAL AMENDMENT 28

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there shall be submitted to the electors of the State for adoption or rejection at the general election next occurring at

least 6 months after the adoption of this resolution a proposition to add Section 7 to Article III of the Illinois Constitution as follows:

ARTICLE III
SUFFRAGE AND ELECTIONS

SECTION 7. RECALL OF EXECUTIVE OFFICERS AND MEMBERS OF THE GENERAL ASSEMBLY

(a) Electors may petition for the recall of an executive branch officer as identified in Section 1 of Article V or a member of the General Assembly. If the recall petition is valid, on a separate ballot the question "Shall (officer) be recalled from the office of (office)" must be submitted to the electors, along with the names of any candidates certified for the successor election, at a special election called by the State Board of Elections or at a regularly scheduled election to occur not more than 100 days after the date of certification of the recall petition. The officer or member subject to recall may be a candidate in the successor election.

(b) An executive branch officer or member of the General Assembly is immediately removed upon certification of the recall election results if a majority of the electors voting on the question vote to recall the officer or member. If an officer or member is recalled, the candidate who receives the highest number of votes in the successor election is elected successor for the balance of the term. Once a recall election petition is certified, the petition may not be withdrawn and another recall petition may not be initiated against that officer or member during the remainder of his or her current term of office.

(c) Any elector of the State, or the applicable Legislative or Representative District, may file an affidavit with the State Board of Elections providing notice of intent to circulate a petition to recall an officer or member no sooner than 6 months after the beginning of the officer's or member's current term of office. The affidavit must identify the name of the officer or member and the office to be recalled, the name and address of the proponents of the recall petition, and the date of filing with the State Board of Elections. A recall petition shall not be circulated prior to filing the affidavit, and a recall petition must be filed with the State Board of Elections no later than 160 days after filing the affidavit.

(d) A petition to recall an executive branch officer must include signatures of electors of the State equal to at least 12% of the total votes cast for the office in the election at which the officer was elected, with signatures equal to at least 1% of the vote for the office from at least 5 separate counties. A petition to recall a member of the General Assembly must be signed by electors of the respective Legislative District or Representative District equal to at least 20% of the total votes cast for the office in the election at which the member was elected. The form, circulation, and manner of filing a recall petition shall comply with the requirements provided by law for a statewide advisory public question, except the deadlines set forth in this Section.

(e) A recall petition is valid unless an objection is made within 45 days after the date the petition is filed, and an objection to the recall petition may be made in the same manner as to a candidate for the office subject to recall. The State Board of Elections shall certify the recall petition not more than 105 days after the date the recall petition is filed. Any recall petition or election pending on the date of the next general election at which a candidate for the office subject to recall is elected is moot.

(f) If a recall election is initiated, the name of no successor candidate may appear on the ballot unless a nominating petition has been filed with the State Board of Elections no more than 40 days after filing of the recall petition. The nominating petition of an established party candidate must contain the same number of signatures and be circulated in the same manner as an established party candidate for nomination to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. The nominating petition of an independent or new party candidate must contain the same number of signatures and be circulated in the same manner as an independent or new party candidate, respectively, for election to the office subject to recall, except the petition must be circulated no more than 40 days prior to the last day for filing nomination petitions. A nominating petition may be objected to in the same manner as a candidate for the office subject to recall, unless otherwise provided by law. The State Board of Elections shall certify a valid nominating petition not more than 105 days after the date the recall petition is filed.

(g) An election to determine whether to recall an executive officer or member of the General Assembly and to elect a successor shall be proclaimed by the State Board of Elections and held not less than 60 days and no more than 100 days after the date of certification of the recall petition.

(h) The provisions of this Section are self-executing and judicially enforceable.

SCHEDULE

The State Board of Elections shall proceed, as soon as all the returns are received but no later than 31

days after the election, to canvass the votes given for and against this Constitutional Amendment, as shown by the abstracts of votes cast. If this Constitutional Amendment is approved by either three-fifths of those voting on the question or a majority of those voting in the election, then the State Board of Elections shall declare the adoption of this Constitutional Amendment and it shall, upon declaration of its adoption, take effect and become a part of the Constitution of this State. This Schedule supersedes and applies notwithstanding any statute to the contrary, and no other requirements, including without limitation proclamation of the results of the vote or notice by publication, are necessary for its effectiveness.
